

THE UNIVERSITY OF  
**WESTERN  
AUSTRALIA**

# Domestic Postgraduate Course Guide 2023

GET CAREER-READY WITH A UWA DEGREE

**Seek Wisdom**

The University of Western Australia acknowledges that its campuses are situated on Noongar land and that Noongar people remain the spiritual and cultural custodians of their land and continue to practise their values, languages, beliefs and knowledge.

# Welcome to our community

**Professor Amit Chakma**  
Vice-Chancellor

We're delighted you are considering embarking on the next stage of your education journey with us.

Our role is to give you the knowledge and skills so that you can achieve your goals – whatever they may be. Our courses will equip you for success in an increasingly globalised world, where knowledge is the universal currency.

We offer an experience-rich curriculum, which in partnership with industry we continue to evolve to suit employer demands, ensuring that we can propel you into the workplace, ready to change the world. Whether studying remotely or on campus, all our students are equal and valued members of our diverse community.

UWA is an inclusive and multicultural community that embraces and values a diversity of backgrounds.

You'll find your time here thought-provoking and stimulating, and when you leave UWA you'll have made lifelong friends, precious memories, and have a sense of purpose and enquiry that will empower you to make a difference.

We look forward to you joining our community and supporting you in shaping your future career goals.

# A vibrant campus

UWA's main campus is located on the picturesque banks of the Swan River (Derbarl Yerrigan), just minutes from Perth City.

Featuring expansive green spaces, cafés and shops, as well as a multitude of modern teaching and research facilities, our campus provides you with a world-class learning environment.

See the campus for yourself through our online virtual tour: [uwa.edu.au/360-campus-tour/](http://uwa.edu.au/360-campus-tour/)

## UWA's Albany Centre

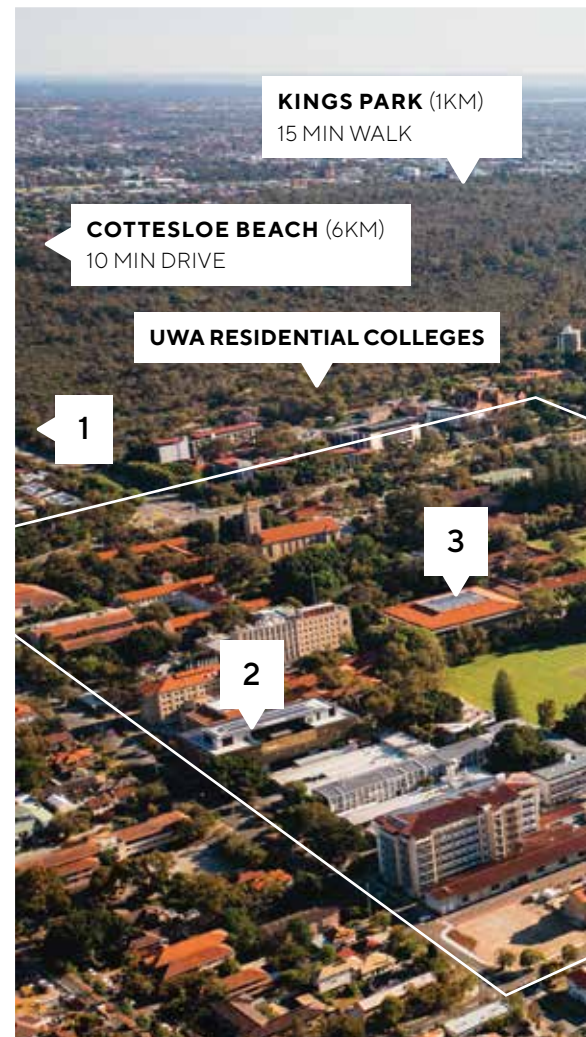

Located five hours' drive from Perth, the Albany Centre offers students a high-tech learning environment. Here you can experience all that regional Western Australia has to offer while studying at university.

[uwa.edu.au/albany](http://uwa.edu.au/albany)

### 1. UWA HEALTH CAMPUS

Specialist teaching and learning facilities for health and medical students.

### 2. EZONE UWA BUILDING

World-class learning space for engineering and mathematical science students.

### 3. REID LIBRARY

Extensive study spaces and convenient facilities at the heart of the Crawley campus.

#### 4. BAYLISS BUILDING

Thriving centre for world-class research and teaching, with advanced labs on every level.

#### 6. BILYA MARLEE

An Indigenous knowledge gateway housing the School of Indigenous Studies.

#### 5. MATILDA BAY

Popular social gathering spot right opposite the UWA campus.

#### 7. BUSINESS SCHOOL

One of the premier business schools in the Asia-Pacific region offering a world-class trading room and training facility for students.

# Get career-ready with a UWA degree

WA's #1 university for graduate employability\* will help you successfully navigate your career journey

Getting a job at the end of your degree will likely be your top priority. At UWA, we've made it our top priority too, offering a wide range of degrees and programs to help you stand out in the job market and increase your employability. All our degrees include the option to take internships or Work Integrated Learning units, and, along with mentoring and volunteering opportunities, these can enhance your standing in your future employers' eyes.

## Career and Employability Award

Practical real-world experiences, skills and knowledge to guide you on an enriching career journey.

## UWA Innovation Academy

Work with real companies to tackle the biggest challenges facing business, governments and society today.

## Practicums and Field Trips

Practical units with workplace and fieldwork placements across WA, Australia and even overseas.

## McCusker Centre for Citizenship

An award-winning internship program, making a difference in our communities locally, nationally and globally.

## Jobs Board

Job listings and alerts from a wide range of employers for full-time and part-time positions, internships, scholarships, volunteering and more.

## Work Integrated Learning (WIL)

Gain industry knowledge, develop career-ready skills, and network with industry professionals as part of your course or as a co-curricular activity.

## Volunteering

Make an impact and get involved, developing skills and experience that stand out on your résumé and final transcript.

## World-class Learning

Learn at the cutting-edge of knowledge from passionate and inspirational academics with real industry experience and connections.

## Bloom WA

A creative lab to turn your big business or community ideas into a startup, all credited towards your degree.

\*QS GRADUATE EMPLOYABILITY RANKING 2022)

#### Career Mentor Link

Be matched with professionals and get insider industry knowledge from people with real career experience.

#### Careers Centre

Understand and engage with your chosen industry, enhance your employability skills, find work and internships, and nail your résumé and interview.

#### More than 160 Student Clubs and Societies

Attend social, professional-development and networking events, and take on leadership and management roles to develop your skills.

## MENTORSHIP + GUIDANCE

From the day you arrive at UWA to after you've graduated, we're here to provide all the help and guidance you need. Our academic staff, career advisers and industry experts combine their collective wisdom to help identify opportunities specific to you. With their resources – and your resolve – you can begin to create a robust plan to get set for your future career.

## REAL-WORLD EXPERIENCE

We'll get you moving in the right direction, helping you gain tangible and hands-on experience in your chosen area, and ensuring you hit the ground running with future-based skills that will make you stand out from the competition.

## NETWORKING

"It's not just what you know, it's who you know." It may be an old saying, but it's as relevant today as ever before. At UWA, we can facilitate access to a network of like-minded and professional contacts from across the world. And by leveraging our extensive industry connections, you'll get more than just a foot in the door.

To find out more about how we can prepare you for your dream career, from first job to long-term goals, visit [uwa.edu.au/graduate-career-ready](https://uwa.edu.au/graduate-career-ready)

## Student life

UWA is more than a university – it's your community, with places to eat, drink and shop, stay active, discover incredible art and relax.

### Accommodation

UWA accommodation is an easy walk to uni, cafés and shops, and a short bus ride to the city and beaches.

### Arts and culture

Visit our on-campus art gallery, explore museums and enjoy live music.

### Events

Enjoy fun social events, industry networking, workshops and more.

### Extracurricular courses and programs

Learn skills and advance your career through free courses and access to our industry partners.

### Food and drink

There's a range of cafés and food outlets on campus and in the neighbourhood.

### Libraries

Our many libraries feature high-tech facilities, learning spaces and virtual assistance options.

### Postgraduate Students' Association (PSA)

The PSA represents postgraduate students on campus as well as holding a number of events throughout the year including Research Week, Careers Week, sundowners, cocktail parties, afternoon teas, a quiz night and a sports day.

[uwastudentguild.com/psa](http://uwastudentguild.com/psa)

### Spirituality and faith

UWA welcomes students with diverse cultural and spiritual backgrounds.

### Sport and fitness

Get active with our state-of-the-art gym, swimming pool, fitness courses, social sports and more.

### Student clubs and societies

Share your passion or try something new at one of more than 160 clubs and societies.

### Volunteering

Support a cause, organisation, charity or group, on or off campus.

# Support services

You'll have plenty of support and help when you get to UWA. Here are just a few of the services we offer.

## Uni life

### Getting started

Take part in orientation activities, receive mentoring from an experienced student (UniMentor) and support from the UWA team to help you settle into university life.

### Course advice

Advice on study plans, enrolment, scholarships, studying abroad, extracurricular activities and more.

### Academic support

One-on-one support, study skills workshops (STUDYSmarter), extensive online resources and more.

### International student support

Our dedicated support services will help you settle into Western Australia and UWA life.

### UWA Student Guild

Run by students, for students, to make sure you have the best university experience possible.

## Support

### Disability support

Perform at your academic best with support for any disability, whether a physical or mental health condition. UWA can help, no matter if your condition is ongoing, temporary or episodic.

### Health and wellbeing

Confidential medical, welfare and mental-health support with a variety of specialist services and a pharmacy on campus. If you're looking for a doctor or GP, there's a Medical Centre on campus, as well as counsellors, mental health nurses, psychologists, physiotherapists and more.

### Mental health

If you're feeling worried, stressed or upset, reach out for support by dropping into The Living Room for a chat. You don't need to make an appointment - there's always someone available to listen and help.

### Safety

A security team is on campus 24/7 and is available to walk you to your car, bus stop or UWA accommodation after hours.

## Preparing and planning

### Career support

Personalised career advice, industry mentoring, online resources, networking events, workshops and more.

### Childcare services

Available for children aged six weeks to five years, plus after school and vacation care for primary school-aged children.

[uwa.edu.au/students](http://uwa.edu.au/students)

# Accommodation at UWA

There are many options for quality accommodation close to the UWA campus. Explore a range of options, all located within close proximity to the campus, cafés, shops and the city.

[uwa.edu.au/study/student-life/accommodation](http://uwa.edu.au/study/student-life/accommodation)

## UWA Residential Colleges

Make the most of your time at UWA and enjoy an amazing, fully inclusive lifestyle. Our five residential colleges are located directly opposite UWA, so you can sleep in and still make it to class on time!

As well as your own secure, fully furnished room, you'll get:

- meals (depending on college/room type), cleaning, utilities, internet and more included in your fees
- an action-packed calendar of events, activities and programs
- plenty of spaces in which to study, relax or be active
- an extensive range of personal and career development opportunities
- 24/7 support, whether you need help with study or just someone to talk to
- lifelong friends from all over the world

### How to apply

1. Research the UWA residential college accommodation websites to decide which suits you best.
2. Apply online at [livingoncampus.uwa.edu.au](http://livingoncampus.uwa.edu.au) (you'll be asked to rank the colleges in order of your personal preference).
3. You'll be contacted directly by your first-preference college within two weeks.

Applications open approximately 12 months in advance. We recommend applying as early as possible – you don't have to wait until you receive an offer from UWA.

Find out more: [uwa.edu.au/colleges](http://uwa.edu.au/colleges)

Apply now: [livingoncampus.uwa.edu.au](http://livingoncampus.uwa.edu.au)

Contact us: [residentialcolleges@uwa.edu.au](mailto:residentialcolleges@uwa.edu.au)

## Living off campus

Prefer to live more independently? UWA owns a range of apartments, units and houses a short walk from campus.

Perfect for postgraduate students, as well as students with families, they're part-furnished, and maintained by UWA's property management team. Rental contracts run for six or 12 months with the option to renew and stay longer.

As a guide, the rent for an unfurnished one or two-bedroom unit close to UWA is AUD\$265-\$500 per week (plus ongoing costs such as power, water, telephone and food).

[uwa.edu.au/study/student-life/accommodation/crawley-village-housing](https://uwa.edu.au/study/student-life/accommodation/crawley-village-housing)

## Perth city student accommodation

Campus Perth and The Boulevard (by Yugo) are student accommodation properties endorsed by UWA. Both are located in the social and cultural hub of Northbridge, close to public transport for easy access to UWA. Shared and single room options are available; rates start from AUD\$150 per week\*.

[uwa.edu.au/study/student-life/accommodation/cbd-accommodation](https://uwa.edu.au/study/student-life/accommodation/cbd-accommodation)

\*Based on 2021 Campus Perth rates, subject to room type and availability.

## UWA Accommodation

The UWA Accommodation Office can provide advice and information in regards to finding long and short-term accommodation both on and off campus.

# Postgraduate studies at UWA

A postgraduate degree is a great way to elevate the next stage of your career – whether you want to change direction completely, expand your skillset or already have a specialist subject in mind.

At UWA, you'll graduate with the experience, knowledge and ability you'll need to achieve your goals.

You'll also widen your employment prospects by growing your level of expertise and making valuable connections with industry professionals.

## Seek industry insights

Our strong industry partnerships provide you with valuable exposure and contacts even before you graduate.

## Seek passionate and engaged mentors

You'll be taught by world-leading experts who want you to get involved in their research.

## Seek hands-on, practical experience

You'll get out of the classroom and into the field (sometimes it's an actual field), gaining practical research experience.

## Seek something more

You'll graduate with a higher level of skills and knowledge, making you more attractive to employers.

YOU WANT TO EXPAND OR UPDATE  
YOUR INDUSTRY KNOWLEDGE

MICRO-CREDENTIALS  
GRADUATE CERTIFICATE  
GRADUATE DIPLOMA

YOU WANT TO FOCUS ON A SPECIALISED  
AREA OR CHANGE CAREERS

GRADUATE DIPLOMA  
MASTER'S  
DOCTORATE

YOU WANT TO CONTRIBUTE  
TO SPECIALIST KNOWLEDGE

MASTER'S BY RESEARCH  
HIGHER DEGREE BY RESEARCH  
DOCTORATE

## MICRO-CREDENTIALS

Our micro-credentials focus on developing skills that are in high demand by employers and industry. Whether you want to upskill or reskill, you'll have the flexibility to pick and choose what works for you. Complete a one-off course or combine multiple micro-credentials to use as academic credit towards a postgraduate course – the choice is yours. [uwa.edu.au/study/uwa-plus](http://uwa.edu.au/study/uwa-plus)

## GRADUATE CERTIFICATE (AQF level 8)

These short courses usually take six months to complete full time, or the equivalent in part-time study. They give you fundamental knowledge for a specific discipline, making them ideal for developing an existing skillset or getting started with an entirely new one. If you haven't already completed a degree but have professional experience, a graduate certificate can be a great option, and you can use one as a standalone qualification or as a possible stepping stone to a graduate diploma and/or a master's degree.

## GRADUATE DIPLOMA (AQF level 8)

Usually taking a year full time (or part-time equivalent), these build on what you learn in a graduate certificate, with more in-depth knowledge. They are a good option if you'd like to return to study but don't have the time required for a master's degree. Your graduate diploma can be used as a qualification by itself, or can lead into a master's at a later date.

## MASTER'S (AQF level 9)

For advancing your career prospects and standing out in your chosen profession, a master's degree is perfect. Normally running 1.5 to two years full time (or part-time equivalent), they are highly regarded by employers for the high level of specialised industry knowledge and skills they give you.

Depending on the course you choose, the course type may include one or more of the options below:

- Coursework: you'll take units involving class attendance, readings, assignments and exams, similar to undergraduate studies but at an advanced level.
- Coursework and dissertation: your course will include both coursework and research (up to 66.6%) components.
- Thesis and coursework: your course will include both research (more than 66.6%, but less than 100%) and coursework components.
- Research: your course will include a supervised research component.

## HIGHER DEGREE BY RESEARCH: MASTER'S AND PHD (AQF level 9 or 10)

If you enjoy working independently and have a specific interest in a topic that you'd like to rigorously explore, embarking on a higher degree by research could be for you. You should be curious, driven and naturally drawn to a deep intellectual challenge. Your unique creativity and critical thinking will help you contribute original scholarship to a topic, and you'll be closely mentored by a supervisor throughout your candidature.

## DOCTORATE (AQF level 10)

A professional doctorate is ideal if you enjoy research and want to contribute to the knowledge base of your chosen profession. It's a pinnacle of expertise – one of the highest qualifications you can achieve – and usually takes three to four years full time (or part-time equivalent).

## RESEARCH VS COURSEWORK

Coursework degrees follow a set pattern of learning, making them perfect if you're looking for a structured way to pick up the skills you're looking for. But if you're keen to follow a more independent path to knowledge, our higher degree by research (HDR) programs are for you. UWA is one of Australia's top research-intensive universities, and our research degrees offer a unique opportunity to explore your passion or follow your interest, while learning alongside globally renowned experts.

# Study areas

## Agricultural, Environmental and Biological Sciences

Advances in technology and science are transforming our world at an incredible pace. Take up study in this field to tackle local, regional and global issues from the environmental impacts of climate change and sustainably managing natural resources, to providing food and water security.

[uwa.edu.au/study/areas/agricultural-environmental-biological-sciences](http://uwa.edu.au/study/areas/agricultural-environmental-biological-sciences)

SCAN ME

SCAN ME

## Architecture, Design and Planning

Study architecture, design and planning to create cities, cultures and communities for a sustainable future. In this field, creative and strategic thinking come together.

[uwa.edu.au/study/areas/architecture-design-planning](http://uwa.edu.au/study/areas/architecture-design-planning)

## Business and Commerce

Develop your business acumen, grow expert knowledge, work on real business case studies, undertake internships and practical projects to prepare you for a fulfilling career in industry, government or not-for-profit sectors.

[uwa.edu.au/study/areas/business-commerce](http://uwa.edu.au/study/areas/business-commerce)

SCAN ME

## Data and Computer Science

Through interpreting the data and computer science behind technological advances, you can help create and develop methods to improve everyday lives. Gain the knowledge and expertise needed for an exciting career in the world of information and technology.

[uwa.edu.au/study/areas/data-computer-science](https://uwa.edu.au/study/areas/data-computer-science)

## Education

Ignite your passion to teach and inspire a love of learning in others. Qualify for a highly rewarding career as an educator or explore the options for experienced teachers, policymakers and leaders who seek to deepen their knowledge, contribute to the profession and advance their career.

[uwa.edu.au/study/areas/education](https://uwa.edu.au/study/areas/education)

## Engineering

Engineering is a force with which you can create profound change and improvement in society. Through study in this area, you'll be empowered to tackle worldwide challenges and make an impact through engineering innovation. Embark on an engineering pathway and gain the skills needed to meet future global needs – from creating some of the biggest buildings, to designing minuscule electronic devices.

[uwa.edu.au/study/areas/engineering](https://uwa.edu.au/study/areas/engineering)

## Health and Biomedical Sciences

If you're passionate about advancing the health and wellbeing of communities, join a university that plays an important role in delivering knowledge and discoveries to guarantee our healthy futures.

[uwa.edu.au/study/areas/health-biomedical-sciences](https://uwa.edu.au/study/areas/health-biomedical-sciences)

SCAN ME

## Humanities and Social Sciences

By studying Humanities and Social Sciences, you'll gain a critical understanding of how society shapes, and is shaped by, culture, politics, geography, economics, media, history, language, the environment and more. You'll develop the knowledge and skills to define complex problems, and identify and design solutions, while being supported in your passion to drive and implement change.

[uwa.edu.au/study/areas/humanities-social-sciences](https://uwa.edu.au/study/areas/humanities-social-sciences)

## Law

Discover the power of legal thinking and learn with others who share your passion for justice and upholding the rule of law. Start your journey towards a successful career in law and join an international community of remarkable UWA law graduates and global leaders.

[uwa.edu.au/study/areas/law](https://uwa.edu.au/study/areas/law)

SCAN ME

## Mathematics, Molecular and Physical Sciences

Physical Sciences aim to uncover the underlying laws of nature – often written in the language of mathematics. Delve into areas like biotechnology, geoscience, physics, oceanography and more to understand the world we live in and help advance humanity.

[uwa.edu.au/study/areas/physical-sciences-mathematics](http://uwa.edu.au/study/areas/physical-sciences-mathematics)

## Music and Fine Arts

Release your full creative potential and set yourself up for a future fuelled by imagination and innovation. Whether you see yourself as a performer, critic, director or other artistic professional, immerse yourself in your area of expertise and become part of the creative economy.

[uwa.edu.au/study/areas/music-fine-arts](http://uwa.edu.au/study/areas/music-fine-arts)

## Psychology

Psychology is a fascinating and diverse area of study that explores the human experience and touches upon many aspects of daily life. It seeks to answer questions about how and why we behave the way we do. A degree in psychology will help you develop a scientific understanding of human thoughts and behaviours, the processes underlying these and the relationship of these processes to the brain.

[uwa.edu.au/study/areas/psychology](http://uwa.edu.au/study/areas/psychology)

## POSTGRADUATE

## Agricultural, Environmental and Biological Sciences

COURSE	FULL-TIME (YEARS)	PART-TIME AVAILABLE	DELIVERY MODE	INTAKE
<b>MASTER'S</b>				
<b>Master of Agricultural Economics</b> Study a globally relevant economics degree that focuses on analysis of production, consumption, and trade issues in the global food, fibre and energy sectors. <a href="http://uwa.edu.au/study/m/agricultural-economics">uwa.edu.au/study/m/agricultural-economics</a>	1.5-2	Y		FEB, JUL
<b>Master of Agricultural Science</b> Enhance your knowledge and skills for a future in the sustainable, profitable and ethical development of a rapidly evolving agricultural industry. <a href="http://uwa.edu.au/study/m/agricultural-science">uwa.edu.au/study/m/agricultural-science</a>	1.5-2	Y		FEB, JUL
<b>Master of Bioinformatics</b> Develop in demand computational and data analysis skills to interpret new information being discovered in the fields of biology and medicine. <a href="http://uwa.edu.au/study/m/bioinformatics">uwa.edu.au/study/m/bioinformatics</a>	1.5-2	Y		FEB, JUL
<b>Master of Biological Arts</b> This course is designed for experienced art practitioners, scientists or humanities scholars who wish to engage with creative bioresearch. <a href="http://uwa.edu.au/study/m/biological-arts">uwa.edu.au/study/m/biological-arts</a>	1.5-2	Y		FEB, JUL
<b>Master of Biological Science</b> Develop advanced understanding of animals and plants, the threats they face, and gain research skills within habitats of exceptional biodiversity. <a href="http://uwa.edu.au/study/m/biological-science">uwa.edu.au/study/m/biological-science</a>	1.5-2	Y		FEB, JUL
<b>Master of Biotechnology</b> This course offers a thorough grounding in state-of-the-art biotechnology in combination with training in enterprise, commercialisation and intellectual property (IP) protection. <a href="http://uwa.edu.au/study/m/biotechnology">uwa.edu.au/study/m/biotechnology</a>	1.5-2	Y		FEB, JUL
<b>Master of Energy Geoscience</b> Gain advanced skills in geological and geophysical data analysis and integration of datasets related to sedimentary basin analysis and energy geoscience. <a href="http://uwa.edu.au/study/m/energy-geoscience">uwa.edu.au/study/m/energy-geoscience</a>	2	Y		FEB, JUL
<b>Master of Environmental Science</b> Gain a rigorous understanding of environmental processes, in parallel to studies in environmental policy and management approaches. <a href="http://uwa.edu.au/study/m/environmental-science">uwa.edu.au/study/m/environmental-science</a>	1.5-2	Y		FEB, JUL
<b>Master of Geoscience</b> Gain advanced knowledge of key geological concepts and geological processes operating at global to local scales. <a href="http://uwa.edu.au/study/m/geoscience">uwa.edu.au/study/m/geoscience</a>	2	Y		FEB, JUL
<b>Master of Hydrogeology</b> Develop your understanding of complex hydrogeological processes and the impacts of human activity and environmental change on groundwater systems. <a href="http://uwa.edu.au/study/m/hydrogeology">uwa.edu.au/study/m/hydrogeology</a>	1.5-2	Y		FEB, JUL
<b>Master of Marine Biology</b> Study the complex interactions between marine organisms and their surrounding environments through hands-on fieldwork alongside theoretical studies. <a href="http://uwa.edu.au/study/m/marine-biology">uwa.edu.au/study/m/marine-biology</a>	1.5-2	Y		FEB, JUL
<b>Master of Ocean Leadership</b> Develop the skills needed to work in a range of marine-related fields to strategically address human challenges in ocean systems. <a href="http://uwa.edu.au/study/m/ocean-leadership">uwa.edu.au/study/m/ocean-leadership</a>	1.5-2	Y		FEB, JUL
<b>Master of Oceanography</b> Develop an in-depth understanding of dynamic marine and coastal systems and develop skills to tackle ocean challenges. <a href="http://uwa.edu.au/study/m/oceanography">uwa.edu.au/study/m/oceanography</a>	1.5-2	Y		FEB, JUL

## POSTGRADUATE

## Agricultural, Environmental and Biological Sciences

COURSE	FULL-TIME (YEARS)	PART-TIME AVAILABLE	DELIVERY MODE	INTAKE
<b>MASTERS</b>				
<b>Master of Ore Deposit Geology</b> Gain high-quality advanced knowledge and skills in the geology and evaluation of ore deposits, and mineral exploration. <a href="http://uwa.edu.au/study/m/ore-deposit-geology">uwa.edu.au/study/m/ore-deposit-geology</a>	1	Y		A
<b>Master of Science</b> In this research degree you'll enhance your research skills and experience by completing in-depth study in a scientific area. <a href="http://uwa.edu.au/study/m/science">uwa.edu.au/study/m/science</a>	1	Y		FEB, JUL
<b>Master of Science Communication</b> Gain the skills to develop content, tools, and strategies that will ensure communities can access, understand, and act on scientific information. <a href="http://uwa.edu.au/study/m/science-communication">uwa.edu.au/study/m/science-communication</a>	1.5-2	Y		FEB, JUL

“Through the Master of Ocean Leadership you gain an understanding of how different disciplines, like science and governance, need to work together to tackle issues facing our oceans. We’re learning how to lead and manage multidisciplinary projects. The quality of the lecturers is outstanding – most are at the top of their respective fields and conducting world-class marine research at UWA Oceans Graduate School and Oceans Institute.

## POSTGRADUATE

## Health and Biomedical Science

COURSE	FULL-TIME (YEARS)	PART-TIME AVAILABLE	DELIVERY MODE	INTAKE
<b>PROFESSIONAL PRACTICE MASTER'S' (EXTENDED)</b>				
<b>Doctor of Podiatric Medicine</b> Graduates of this comprehensive three-year course will be prepared to enter clinical practice as primary contact health care practitioners in the diagnosis and treatment of conditions affecting the foot and ankle. <a href="http://uwa.edu.au/study/d/podiatic-medicine">uwa.edu.au/study/d/podiatic-medicine</a>	3	N		JAN
<b>Doctor of Podiatric Surgery</b> The course provides theoretical knowledge and clinical skills in podiatric surgery, as well as advanced research skills, beyond the entry-level podiatry degrees resulting on a dissertation. <a href="http://uwa.edu.au/study/d/podiatic-surgery">uwa.edu.au/study/d/podiatic-surgery</a>	3	PART-TIME ONLY		JAN
<b>Doctor of Podiatry</b> Available to qualified and experienced graduate podiatrists who wish to broaden their knowledge base of podiatric medicine via coursework, practicum units and independent doctoral-level clinical research on a topic of interest. <a href="http://uwa.edu.au/study/d/podiatry">uwa.edu.au/study/d/podiatry</a>	3	Y		FEB
<b>RESEARCH</b>				
<b>Doctor of Philosophy and Master of Clinical Audiology</b> Develop your knowledge of clinical audiology with structured coursework units while pursuing new research with guidance from an expert supervisor. <a href="http://uwa.edu.au/study/cmd/clinical-audiology">uwa.edu.au/study/cmd/clinical-audiology</a>	4	N		FEB
<b>Doctor of Philosophy and Master of Infectious Diseases</b> This course enables students to undertake a PhD in their chosen discipline with the Master of Infectious Diseases, providing advanced training and research in infectious diseases. <a href="http://uwa.edu.au/study/cmd/infectious-diseases">uwa.edu.au/study/cmd/infectious-diseases</a>	4	Y		FEB

“The best part about the course is the support the lecturers and staff provide. Because it’s a relatively small cohort, you become quite close with the other students, which also provides a great support system through your studies.”

**JANESHA, MASTER OF PHARMACY**

# Research at UWA

| Open up a world of learning opportunities with a higher degree by research at UWA.

The University of Western Australia attracts world-class researchers, who are ready to supervise you through your higher degree program. We are:

- a world top 100 University (QS 2023)
- a member of the Group of Eight network of Australia's leading universities
- in the world's top 50 for a range of research areas (QS 2022 and ARWU 2021)
- in receipt of 56 per cent of university research funding in WA

UWA is home to two Nobel Prize for Medicine laureates – professors Barry Marshall and Robin Warren – and Fields Medallist Professor Akshay Venkatesh is also an alumnus.

We host 12 highly cited researchers and more than 60 academics across all of Australia's learned academies. Our programs have fostered a Prime Minister and state premiers, as well as business and political leaders nationally and internationally.

Located in the time zone with the largest proportion of the world's population, UWA has built strong collaborative links with other universities, research institutes, businesses and governments all over the world.

Our research training and high-quality supervision will support you to tackle global, regional or local issues, turning your research into economic, social and environmental benefits. You'll also develop a broad spectrum of transferable skills and will be offered a range of professional development opportunities, such as internships and other forms of engagement, with research end-users.

UWA offers a range of research scholarships encouraging you to pursue excellence in your studies. We also have flexible study options, including part-time and online study arrangements.

The UWA Student Community offers many social activities and clubs to keep you engaged, as well as support services and high-quality accommodation options.

[uwa.edu.au/study/research](https://uwa.edu.au/study/research)

# Research degrees

A postgraduate research degree provides a unique opportunity to pursue your scholarly interests and extend your understanding of a subject area.

Supported by an expert supervisory team, you'll develop advanced analytical, project management and communication skills, as well as the ability to work independently on complex problems.

## Doctor of Philosophy (PhD)

**UWA COURSE CODE:** 00810

**INTAKE:** Throughout the year

**DURATION:** 4 years full time

The PhD is a program of independent, supervised research assessed by examination of the thesis. This includes an oral examination (viva voce) and, for some doctorates, may include a creative component. The work presented for a PhD must be a substantial and original contribution to scholarship, demonstrating mastery of the subject and advancing the field of knowledge.

[uwa.edu.au/study/d/philosophy](http://uwa.edu.au/study/d/philosophy)

## Master of Philosophy (MPhil)

**UWA COURSE CODE:** 00710

**INTAKE:** Throughout the year

**DURATION:** 2 years full time

The MPhil is a program of independent, supervised research in which students are required to show an advanced and integrated understanding of a complex body of knowledge in one or more fields of study. Assessment is by written examination of the thesis.

[uwa.edu.au/study/m/philosophy](http://uwa.edu.au/study/m/philosophy)

## PhD/MPhil admission requirements

Approval for admission to a PhD/MPhil requires an applicant to demonstrate that they have sufficient background and experience in independent supervised research to successfully complete the course, and for the University to ensure that appropriate supervision and resourcing are available. Applicants are required to demonstrate that they have met the requirements of the University Policy on Adequate Research Preparation ([uwa.edu.au/policy/home](http://uwa.edu.au/policy/home)) and any other requirements for admission of the University, and

- (a) have a bachelor's degree of this University or equivalent qualification;

or

- (b) (i) have previously undertaken work, of a sufficiently high standard, towards a higher degree by research in this or another approved institution but not have submitted it for any degree; and
- (ii) have completed an appropriate PhD/MPhil research proposal. A student who wishes to undertake a PhD/MPhil in the field of creative writing must, in addition, submit a substantial folio of published creative work, normally in the form of one or more books. Prior to enrolment, all applicants are required to demonstrate that they have met the University's English language requirements.

[uwa.edu.au/study/research/elc](http://uwa.edu.au/study/research/elc)

## Master of Research (MRes)

**UWA COURSE CODE:** 00720

**INTAKE:** January

**DURATION:** 2 years full time<sup>1</sup>

The MRes is designed to broaden options for honours students who wish to expand their research output, but have been unsure about transitioning straight from honours to PhD. The first year of the course comprises the honours year, and students who are admitted to the MRes proceed directly from the honours year into the second year of the MRes.

[uwa.edu.au/study/m/research](http://uwa.edu.au/study/m/research)

## MRes admission requirements

By completing the requirements of an end-on honours degree at UWA or another recognised Australian tertiary institution, with a weighted average mark of at least 70 per cent, but not had the degree conferred.

<sup>1</sup> One year if honours is completed.

# Fees

Your tuition fees vary depending on what you choose to study and the type of student you are. You can find out more about fees for your chosen course at [fees.uwa.edu.au](http://fees.uwa.edu.au)

## Commonwealth Supported Places (CSP)

A CSP means that your course tuition fees are subsidised by the Australian Government. If you're offered a CSP, you'll only need to pay the 'student contribution' fee which varies depending on the units in which you enrol. You may also be eligible to defer payment of your student contribution amount via the HECS-HELP loan scheme.

## Full Fee Paying Places (FFP)

A FFP means that you'll need to pay the full course tuition fee. You may be eligible to access the FEE-HELP loan scheme to defer paying your fees. Your employer may also consider assisting you with the cost of your course if it's related to your current position.

## Research Training Program (RTP)

The RTP provides Fees Offset Scholarships to domestic students undertaking doctorates (up to four years full time or part-time equivalent) and master's by research (up to two years full time or part-time equivalent).

[uwa.edu.au/study/fees-and-scholarships/research-training-program](http://uwa.edu.au/study/fees-and-scholarships/research-training-program)

## Advanced Standing/Credit

You may be able to reduce your overall study time and tuition cost by having your work and previous study experience recognised as Advanced Standing/Credit (recognition of prior learning).

[uwa.edu.au/students/my-course/enrolment](http://uwa.edu.au/students/my-course/enrolment)

## Student Services and Amenities Fee (SSAF)

The SSAF is a compulsory fee that directly benefits all UWA students. The fee is used to provide a range of recreational, sporting, social and educational facilities and services, including student representation.

[uwa.edu.au/students/my-course/fees-and-payments/ssaf](http://uwa.edu.au/students/my-course/fees-and-payments/ssaf)

## Other costs

For further information and advice on the other costs associated with your study, visit [uwa.edu.au/study/student-life/cost-of-living](http://uwa.edu.au/study/student-life/cost-of-living)

For further information regarding your fee type, eligibility, and calculating your fees, visit [uwa.edu.au/students/my-course/fees-and-payments](http://uwa.edu.au/students/my-course/fees-and-payments)

# Financial support

## HECS-Help

HECS-HELP is a government loan scheme that allows eligible CSP students to defer their student contribution fee payment. For more information and eligibility criteria visit [studyassist.gov.au/help-loans/hecs-help](http://studyassist.gov.au/help-loans/hecs-help)

## FEE-Help

FEE-HELP is a loan scheme that allows eligible FFP students to defer their tuition fees at university.

For more information on FEE-HELP and eligibility criteria visit [studyassist.gov.au/help-loans/fee-help](http://studyassist.gov.au/help-loans/fee-help)

## Scholarships

UWA offers a wide range of scholarships to further support you with your studies.

[uwa.edu.au/study/scholarships/explore](http://uwa.edu.au/study/scholarships/explore)

# English language requirements

Successful university study demands a high level of English language skills. For this reason, you must meet the UWA minimum English language requirements. This is the case even if English is your first language.

## For postgraduate research students

All research students must meet the minimum English proficiency requirements as set down by the Board of the Graduate Research School. All English test results must normally have been obtained within the past two years. Higher scores are required for admission into some courses. For a complete listing of the English scores required for admission to research degrees, visit [study.uwa.edu.au/pg/english-language-requirements](https://study.uwa.edu.au/pg/english-language-requirements)

## For postgraduate coursework students

All coursework students must meet the minimum English proficiency requirements. Note that some postgraduate coursework degrees have higher English requirements than the University's minimum.

For a complete listing of the English scores required for admission to coursework degrees, refer to [study.uwa.edu.au/elc](https://study.uwa.edu.au/elc)

## Help with English language skills

If you would like to study at UWA but do not have the required level of English language proficiency, contact the UWA Centre for English Language Teaching for more information on how to improve your English to the required level.

[celt.uwa.edu.au](https://celt.uwa.edu.au)

# How to apply – postgraduate coursework

## 1. Choose your course

Choose your preferred course from this course guide or at [uwa.edu.au/study](http://uwa.edu.au/study) and check that you satisfy your chosen course's admission requirements.

## 2. Apply online

To start your application, visit [uwa.edu.au/study](http://uwa.edu.au/study) and click on the 'Login' button on the top right-hand corner of the page. If it's your first time applying to UWA, create a profile by selecting the 'sign up' tab. Once you've signed up, submit all required documentation in digital format.

## 3. Track your application

After you've submitted your application you can track its progress via the UWA Apply portal. You can also upload any additional documents we need.

## 4. We'll send you a letter of offer

We'll send you an email to notify you of the outcome of your application. If your application is successful, you'll receive an offer letter or a conditional offer letter if more steps are required via email.

## 5. Accept your offer

When you receive your offer letter email, click the 'accept' button to be taken to UWA Accept, where you can accept your offer. Log in with the account you used to apply (UWA Apply portal) and you'll see your offer. You may be required to submit scans or clear photographs of any requested documents, agree to the terms and conditions of studying at UWA and then make your first payment.

## 6. Enrol online

You can now enrol in your course at:  
[uwa.edu.au/unistart/enrol](http://uwa.edu.au/unistart/enrol)

## 7. Accommodation

There are many options for quality accommodation close to the UWA campus. Explore a range of options, all located within close proximity to the campus, cafés, shops and the city.

[uwa.edu.au/study/student-life/accommodation](http://uwa.edu.au/study/student-life/accommodation)

## We're here to help

If you have any questions or need help applying get in touch with us at [ask.uwa.edu.au](mailto:ask.uwa.edu.au)

# Scholarships and prizes

WE AWARD MORE THAN **\$6 MILLION WORTH OF SCHOLARSHIPS** TO COURSEWORK STUDENTS EACH YEAR

UWA offers scholarships in a range of categories.

## Academic excellence

Academic Excellence scholarships provide financial support to students who have been recognised for their outstanding academic results. These scholarships are available to both domestic and international students across all study areas.

## Diversity, equity and inclusion

Our Equity scholarships provide opportunities to students, new or current, who experience educational disadvantage due to a variety of circumstances. These scholarships provide outcomes that help realise students' academic success.

## Global experience

Our Global Experience scholarships provide an enriched educational experience for both domestic and international students, creating new and exciting opportunities and collaborations across geographic borders.

## Leadership, talent and social impact

Our Leadership and Social Impact scholarships have been created to support talented students with the potential to drive change and become the next generation of influential leaders across society, industry, sports and academia.

Each category will include a range of scholarships in areas such as Sports Excellence, Indigenous, Residential, Financial Hardship, Educational Disadvantage and Travel, among others.

Eligibility varies depending on the scholarship, but our range of options provides numerous opportunities to apply.

Find out more about our scholarships and how to apply at [uwa.edu.au/study/scholarships/explore](https://uwa.edu.au/study/scholarships/explore) or get in touch through [ask.uwa.edu.au](mailto:ask.uwa.edu.au)

## \$400,000 IN PRIZES AWARDED TO STUDENTS EACH YEAR

We like to recognise our students' outstanding academic achievements. There is a range of prizes awarded to students in their relevant school, based on the results achieved in the previous academic year. Best of all, you don't need to apply for the prizes unless specified in the prize conditions.

Find out more [uwa.edu.au/study/prizes](https://uwa.edu.au/study/prizes)

**UWA Scholarships and Prizes are proudly funded by UWA, government, corporate and private donors.**

# How to apply – postgraduate research

## 1. Expression of Interest

Contact the Higher Degree by Research (HDR) support team to start your application – we can help you determine your eligibility and find a supervisor in your proposed research area.

**Email:** [applications-grs@uwa.edu.au](mailto:applications-grs@uwa.edu.au)

## 2. Lodge an application

The appropriate application method will be advised by the HDR support team\*.

You'll need to provide supporting documents, including a summary of the proposed research that outlines:

1. background to the topic;
2. aims of the research;
3. significance of the research;
4. the methodology you'll use, and
5. a brief reference list.

\*Applications for Higher Degree by Research courses are open all year round, except for the Master of Research and combined Doctor of Philosophy and Master's courses. Applications for some scholarships go through a different process which includes specific deadlines. Email [applications-grs@uwa.edu.au](mailto:applications-grs@uwa.edu.au) to enquire further.

## 3. Approval

Your application will be sent to the designated School for consideration, where the Graduate Research Coordinator in the School will evaluate research preparation, funding and resources for the project, and the availability of appropriate supervision. The School will then make a recommendation to the Graduate Research School as to whether UWA can provide a place in the course. The Dean of the Graduate Research School will consider the recommendation for admission.

## 4. Offer and Acceptance

Successful applicants will receive an offer letter that sets out the terms of admission. A Confirmation of Enrolment (COE) will be issued when you accept the offer, if all submitted documents are correct and the English Language requirements are met.

## 5. Accommodation

There are many options for quality accommodation close to the UWA campus. Explore a range of options, all located within close proximity to the campus, cafés, shops and the city.

[uwa.edu.au/study/student-life/accommodation](http://uwa.edu.au/study/student-life/accommodation)

**The HDRhub is UWA's new tool for the management of HDR candidates, thesis examination, research and more! Visit [postgraduate.uwa.edu.au/hdrhub](http://postgraduate.uwa.edu.au/hdrhub)**

### We're here to help

If you have any questions or need help applying, email [applications-grs@uwa.edu.au](mailto:applications-grs@uwa.edu.au)

# Postgraduate research scholarships

UWA offers a wide range of postgraduate research scholarships.

## Research Training Program stipends and University Postgraduate Awards (UPA)

These aim to assist with general living costs through provision of an annual stipend. To be eligible for an RTP award, candidates must have achieved a bachelor's degree with first class honours, or equivalent. To be eligible for a UPA, candidates must have achieved a bachelor's degree with upper second class honours, or equivalent.

## Hackett Postgraduate Scholarships

Sir John Winthrop Hackett was UWA's first Chancellor and a generous benefactor to the University. The Hackett Postgraduate Scholarships are awarded to the top-ranked applicants in the main domestic application round, and are valued at \$40,000 per annum.

## Forrest Research Foundation Postgraduate Scholarships

Awarded to outstanding domestic and international students, to help them complete a PhD at a Western Australian university. The Forrest Scholarship package is valued at more than \$50,000, including a stipend, accommodation at Forrest Hall, and a research and travel allowance.

## Jean Rogerson Postgraduate Research Scholarships

These are awarded to highly ranked applicants in the main application round, and provide a stipend of \$35,000 per annum.

## Robert and Maude Gledden Postgraduate Scholarships

The Gledden Postgraduate Scholarships are awarded for research in applied science, particularly relating to surveying, engineering, mining or cognate (related) subjects. They provide a stipend of \$38,000 a year, plus an overseas travel allowance of up to \$5,000. Gledden applicants must provide a 100-word outline of their proposed research project and its relevance to the terms of the Gledden Trust awards.

## Indigenous postgraduate research supplementary scholarships

Top-up scholarships valued at \$10,000 a year may be given to Indigenous applicants who are awarded an Australian Government Research Training Program (RTP) Scholarship or University Postgraduate Award.

For further information on research scholarships available for students, visit [scholarships.uwa.edu.au/futurestudents/postgrad](https://scholarships.uwa.edu.au/futurestudents/postgrad) or email [researchschools@uwa.edu.au](mailto:researchschools@uwa.edu.au) or [applications-grs@uwa.edu.au](mailto:applications-grs@uwa.edu.au)
