

## UWA Plus Micro-credentials

### *Critical Information Summary*

Title and brief description	LAWSM102 Creative Contracting with Pictures. You will be taught how to think about legal communication as something that can be engaging, and to think about ways to make contracts fun with pictures. You will be shown many of the current and past projects of the UWA Comic Contract Project by the project leader Prof Andersen, and expected to engage with some of the challenges facing these modern contracts, including drafting your own. You do not have to be able to draw - there are many ways of including visuals.
Certified learning	(1) identify the key issues with traditional contracting and the key benefits of using visuals in contracts; (2) critically evaluate the challenges of visual contracting today; (3) explore the potential benefits of visuals in Australian legal contexts through group collaboration and discussion; (4) work independently to acquire information on contracts and develop analysis of key issues; (5) develop skills for storyboarding and developing visuals to complement simplified legal text; and (6) develop an understanding of legal text in order to simplify its main meaning.
